To Whom It May Concern:

### CERTIFICATE OF COMPLIANCE

At **MEGA FORTRIS** we are aware that the compliance of our products with international regulations is fundamental for our customers. Thus, we continually ensure that our products comply with the current requirements & regulations in countries in which we have business dealings.

We hereby certify that the **Base Material, PP (Polypropylene) & Nylon (Polyamide)** used in the products manufactured by Mega Fortris (Malaysia) Sdn. Bhd. , conforms to the **US Food & Drug Administration (FDA)** as a food grade material.

Please be informed that our compliance to these regulations is based on the supporting confirmation / approval given by our raw material suppliers.

Please do not hesitate to contact us if you require further clarification.

Regards,

For Mega Fortris (Malaysia) Sdn. Bhd.
